Hi Charmagne – Can you incorporate the opportunity to view the video into my Weekly draft. We may have to indicate that some may have already seen as its being widely shared, but I do want to make sure everyone in R5 has a chance to view. Thanks

Cheryl—I haven't had a chance to view this (as I'm on that Donna training), but if you like it and are looking for things for Charmagne to work into your next weekly message 😊

Not sure if you've seen this or not. Perhaps we could share this with R5 via an email from Cheryl, you or Roundup?

What do you think?
